

Delivery instructions for securities

Once you've submitted your Vanguard Charitable Make a Contribution form, provide your broker or firm with the following instructions in order to authorize the electronic transfer of your securities and finalize your contribution to Vanguard Charitable. (These instructions are intended to help you initiate a transfer of assets with the holding firm. Vanguard Charitable will not contact your broker to initiate a transfer.)

To the DTC/ Free-delivery department

Please accept these instructions as the authorization to transfer the assets specified below to Vanguard Charitable's brokerage account. Securities should be transferred in-kind and are *not* to be liquidated.

- **Receiving firm:** Vanguard Brokerage Services
- **Vanguard Charitable brokerage account number:** 76580331
- **DTC clearing number:** 0062
- **Further credit to:** [Your Vanguard Charitable account number and name]

Include the name of each security, number of shares you wish to donate, preferred cost basis, and names of all registered owners. The broker or firm may require a Medallion signature guarantee to authorize the transfer.
